

Graduate Research Projects: Ph.D., M.Sc.

Supervisor: Prof. Amit Kohn

Department of Materials Science and Engineering, Tel Aviv University

e-mail: akohn@tauex.tau.ac.il ; Tel: 03-6406809

Topic: Spin-Electronic Devices based on Heusler Alloys

I. Structure – Magneto-Transport Relations

II. Nanoscale Magnetic Structures

Focus: Transmission Electron Microscopy – Analytical, Lorentz (Holography)
